**Galatians 6:6-10**  
**Living the Gospel, 21**  
**Dr. Ted Wueste**

**Share what you have with those who teach the gospel ...** verse 6

**Stop deceiving yourself ...** verse 7-8

God is not to be marginalized ...  
How do we fail to take God seriously?

There is a correspondence between the investment and the return.

1. Investing in satisfying the flesh leads to death.
2. Investing in satisfying the Spirit leads to eternal life.

**Stop giving in when things get tough ...** verse 9

We have a guarantee on our investments into kingdom.

**Steward your resources into the lives of others ...** verse 10

Seize opportunities to share with anyone who is in your path.

However, focus your resources on those who are fellow believers.

**CHALLENGE ...**

- How are you tempted to use your resources for yourself?
- What part of your “portfolio” have you been holding back?  
How, specifically, will you begin to share?

**Quote:**

“For where your treasure is, there your heart will be also.” Matthew 6:21

“One of the greatest obstacles to rebuilding broken relationships is simply fatigue. We can easily lose heart and run out of strength when we come up against the same problems over and over again as we deal with others.” G. Walter Hansen
