

Review: "Taking Personal Responsibility" means...

- > v.1-2: We take care of each other... like a family
- > v.3-16: We take care of those who... can't take care of themselves
- > v.17-25: We take care of those who... lead our church body

Our church leaders need *and deserve*...

- > v.17-18: our honor

- > v. 19: our protection

- > v.20: our correction

As the church family...

- > v.21-22: We must... be cautious as we appoint leaders

- > v.23-25: We must... appoint leaders who pursue a balanced, pure life

- > v.24-25: We must appoint leaders who ...

Bottom line:

BOX: Next Sunday – living out our "personal responsibility":

- > Take care of each other: a service of praying for our brothers and sisters
- > Take care of those who can't take care of themselves: our first-ever benevolence offering
- > Take care of those who lead our church family: encourage and pray for our elders & leaders
