

Doubts about Faith and Science
Genesis 1; Romans 1; Psalm 14
Doubt: friend of faith, 2
Dr. Ted Wueste

DEFINITIONS

Faith - _____

Science - _____

Perceived problems with faith and science ...

1. The origins of religious thought demonstrate its irrelevance to modern life.
2. Miracles defy the laws of science.
3. Evolutionary science is incompatible with religious thought.

The integration of faith and science ...

“When they saw him, they worshipped him; but some doubted.” Matthew 28:17
